“ Hi Brinda, Gail and I are so sorry to hear of David's passing but we know he's with the Lord. We have many memories of David. Gail wanted me to share about a time at PTL when she worked as David's secretary. One day he called her into his office and asked, did you write this report? She was afraid and sure she had done something wrong. David laughingly said, this is very good!
My own recollections of David were in Canton in 1978 where in morning devotions, David often played excerpts of Walter Martin cassette tapes. They so affected me that I began an intense study of apologetics which eventually led to a ministry in that area from 1984 to the present. Im sure David's life affected many, many people. Someday we'll rejoice with him in heaven!

“ My Dearest Brinda,
There are so many memories it's difficult to settle on just one. The one thing that really stands out was the day that I was called to David's office. I thought I was in trouble for something but he asked me if I thought that my Parents would be interested in viewing some programs in Greek to see how good they were to possibly bring them to CTV. I remember my Parents watching the programs with tears streaming down their cheeks. Then David sending us to Toronto to meet the Producers of the show etc... and bringing those first 30 tapes of shows back to Pgh. It was an answer to prayer!!! You and David were an answer to prayer for Pittsburgh! It was such an honor to know him and to be your friends.
We pray that you feel the Lord so ever close to you at this time. You will be in our thoughts and prayers.

All our Love,

“ Brinda, So sorry to hear of David's passing. You all were great friends and influences in our lives. I remember our "camping" trips in the trailer/ fifth wheel to National Forest and Singing on the Mountain. We encouraged each other in hard times. Thanks to David we moved to Pittsburgh and our lives were changed forever, Kristy was active in church youth and music, went to Valley Forge and met Denny, has 2 beautiful daughters, etc.

Sorry we drifted apart over the years. We have often thought of you and David and the impact you made on our lives and kept CTV afloat in perilous times. Glad you reunited with your daughters and share their family. Had he been ill for long.? We will be praying for God"s Peace and Comfort at this difficult time. May God draw you closer together and closer to Him.

We Love you.

Blessings.

“ I only have good and precious memories of David and Brinda and Mom Kelton during the time we worked together at Cornerstone TV Channel 40 in Wall, Pa. Russ Bixler introduced us and I loved and respected them from the get go. We have not communicated for many years. I have been in Kansas for the past 25 years and in North Carolina 5 years prior to that. I kept in touch with Mom Kelton up until she went to heaven. David had one of the most powerful Christian testimonies I have ever heard, and he lived it every day. His book, Chosen To Live remains a powerful tool for Jesus. Brinda will continue to be in my thoughts and prayers. Much love to all the family.
