“ So sorry to hear about your Mom, I have fond memories of her--dinner in the dining room in Glenwood and your Mom served garden tomatoes with mayo--my first experience with that amazing combo-- at dinner in Chatham . I have been trying to track down my 2 good childhood friends, Norma and Nancy, for a few years now. I think I have finally found you. We were big Beatle fans and spent a couple of summers traveling by train back and forth from Glenwood to Chatham, Ontario.. I have so many fond memories of our friendship and the days we spent together. If this is the right McIntyre family please contact me at: cubsivy1@yahoo.com Thanks, Patricia Annunziata White
