“ Mike, Matt, and Milton. Words cannot express my feelings. To lose my loving wife Lynne, my cousin Trudy, and her husband Joel all within a year is very hard for me to take. I'll get thru it because I will always remember the great times we shared. I am at peace knowing they are all in Heaven... My condolences to all of you and your families... Love Gary

“ Trudy. The person one would truly love spending time with, heart bigger than most, with great compassion. Love your friend Theresa Martin.

“ Trudy was one of my best friends. We spent many times together. She, Carolyn Profughi, and I would go to Chelo's where we would eat, laugh and sometimes cry. We were in King's daughters together. We would worship the LORD together at Woodlawn. Miss you Trudy.

“ Michael, Matthew, Milton and extended families: It is with deep sorrow that I write this message in memory of your mother, grandmother, great-grandmother, and my dearest cousin. She will always be remembered as a great family member, wife, mother, etc. No matter what the title, she deserved it with the highest esteem. Another attribute was her exceptional memory of the birthdates, marriages, children born, and deaths of all of the Bowen clan. She was my resource on several occasions, when a date or name was needed. Sad to learn of her passing but it makes me happy to know that I got to speak to her on the afternoon of the day prior. We shared our continued thoughts of each other and our families, and our love for each other. My sincerest prayers and thoughts are with you at this most difficult time. Happy she must be to be home with the love of her life!

“ My thoughts, love and prayers are with all who loved Trudy. It was an honor to have been apart of a team that helped take care of her when she needed it. We had many great talks, sharing stories about MA and places we have been! Trudy has a permanent place in my heart! I loved her dearly.

“ I went to Lincoln Elementary School with your Mom. She lived a few streets away from my house. Many days after school we would sit on the back steps of her house and played Scrabble.

When your Mom and Dad were getting married they included me in their wedding. It was such a beautiful wedding. Trudy had such lovely taste. It was in October and we carried the most gorgeous fall flowers. She was a dear person, and my memories of her are so pleasant.

I am so sorry for your loss. I am sure that you and your family have so many memories of her and as such she will always be with you.

“ My sincere sympathy too Trudy's sons and their families. Trudy and I became friends in 4th grade at a Riverside school. We kept in touch after she moved to Pawtucket. I was honored to be included in her wedding. Trudy was a lovely gal and I am sure a great Mom. Her Mom was also a very sweet lady. Pam Loeffler
