“ Bob worked as our Graco rep for years. He was, by far, the best we ever had. But on top of that, he was a good friend to my father who passed in 2020. Bob was a very caring man and truly cared about us as a distributor and the customers that he served. I think about him often and am very sorry for your loss. I will always remember his smile and his energetic personality!

“ My name is Roger Lumm and I had the opportunity to work with Bob for many years both when I was with two different employers. I also worked for Jeff Ross who had the opportunity to know Bob through golf. Jeff indicated that you might have a memorial service for Bob in May. If that is the case please let me know the plans so I can let all the Recreational Vehicle people know. He touched many lives during his career and will be missed by many. Please accept my deepest condolences.

“ My husband Jim thought the world of Bob, and always looked forward to Bob's South Bend visits. He enjoyed Bob as a sales rep, but even more as a friend. I am certain those two have already met up and are talking business! So very sorry for your loss!
