Comments

“ Lee is one of the finest gentlemen I have known. He and I were colleagues for many years as territory sales managers for VT Industries, Inc. His warmth, personality, compassion, knowledge, humor, and generosity were well known and enjoyed by many, myself included. Lee was kind, smart, and fun. He was great to work with and on the many business trips, conventions, etc., he knew how to make it fun, too.

All my love to Mary Jean and his family, whom he was devoted and loved.

Thank you Lee, for showing us how to BE and have a life well lived !

Love,
Rosalie Richards

Of life and the thee month's you helped me with mom and
