“ I am so sorry for your loss. I haven't seen Dacia and Leonard for a very long time, but they were both always so kind to me. Dacia, I can't even imagine the loss you feel. You and your family are in my prayers. Amy and Kaye - I love you both and hope you find comfort and peace. Please let me know if there is anything I can do for you or for Dacia.

“ Leonard was my best friend for many years. He is the funniest person I know. We laughed so hard together so many times. Len is a master story teller and has the best sense of humor. Lenny will be missed so much. I am so lucky to be called his friend.
