“ I am so sorry to hear of Margaret's passing, I grew up in Ball Ground and always knew who she was but not until I became older and involved with the Ball Ground Historical Society did I enjoy our friendship. We connected and I then realized that she and my only remaining aunt Grace Winchester Holcomb were dear friends and worked together at the Diaper plant. I remember giving Margaret my aunt's phone number in Tampa, Fla and she called Grace and they talked. She later told me how happy she was to reconnect with my aunt. I know Grace enjoyed catching up with Margaret. We would chat at the Post Office hangout. I know she will be missed greatly, always enjoyed out talks and heaven has gained a gem in Margaret.

“ When I first started working at Walmart Margaret was my trainer on the floor. I thought the world of Margaret I'm so sad she's gone. She would stop by the store after she retired to tell me about her upcoming trips. My prayers are with her family
