He graduated from the University of Minnesota with an engineering degree and enjoyed a long career working for Medtronic and Guidant Corporation in the Twin Cities. Everyone that knew Dick, knew he loved a good joke (especially a political one), wood working, golf, watching sports (especially the Gophers and Cardinals), and he really enjoyed writing his Christmas letters every year. He was a kind and generous man, donating to local charities. Dick was a member of Our Lady of Assumption Catholic Church in Atlanta, GA.

He was loved by many and will be greatly missed. Family requests in lieu of flower donations, please make a donation to the ALS Association, one of the charities Dick supported.
