“ I'll look back on those memories at thanksgiving. We always shopped at the mall for those sales next day! We did a lot of things as a family. You will be missed but I know you are with our Lord. Rest in peace! We see you again one day. In loving memory Tony and Diane

“ She was such a good friend making us feel warm and welcome in Shiloh when we first attended on a Wednesday night in early September of 1996. She was patient with me giving me directions to Shiloh Hills. And, she was such a huge help when our daughter was married in July 1999. From comforting a soon-to-be bride with the fact that there would be no AC in the church due to lightening striking the unit and it was not repairable right away to throwing her and her soon-to-be husband a bridal shower. She gave information that I didn't even think of. And when I was hospitalized about a week before our daughter's wedding she reached out and took on even more to take some responsibility off me as I was still recovering from a TIA. She was a ball of energy with a fierce love and loyalty to family and friends. She will be missed sorely here on earth and I can't wait to see her in heaven someday when the Lord finally allows my homegoing.

“ Prayers still coming for the family. Vanessa was my sweet friend who I am going to miss very much. We never got to have out lunch together. She was one of the sweetest people I know. So glad I got to spend time with her and her family these last few days of her life. I know she is no longer in pain and now in the arms of her Savior . Love her so much and miss her already.
